

9/13/2004

NLS Participant List

August 24-26, 2004

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
Adams	Tammy	NMFS/PR	301-713-2289 x124	Tammy.Adams@noaa.gov	Ensure compliance of marine mammal and endangered species research w/MMPA, ESA, NEPA, etc.
Adler	John	NMAO	813-828-3310 x3079	john.adler@noaa.gov	
Alexander	Michael	OAR/CDC	303-497-6030	michael.alexander@noaa.gov	Physical Scientist,uses observations and models to study atmosphere-ocean interaction
Arnfield	Jeffrey	NESDIS/NCDC	828-271-4444	Jeff.Arnfield@noaa.gov	Task leader for the development & implementation of a station history data base system (MI3); beginning with the surface observing systems and expanding it to all NWS observing systems to meet NCDC requirements. With the planned NOAA Integrated Surface Observing System (ISOS) Working Forum, the MI3 database will be discussed extensively & has the potential to become the NOAA station history database system for NOAA in-situ meteorological observing systems to meet not just NCDC needs but NOAA requirements as well.
Arzayus	Krisa	OAR/HQ	301-713-2465	krisa.arzayus@noaa.gov	Sr. Scientist, Climatology
Baker	Jason	NMFS/PIC	808-983-5711	jason.baker@noaa.gov	I currently lead the Hawaiian Monk Seal Population Assessment Program
Banas	Joe	NWS/OS6	301-713-0463 x168	Joe.Banas@noaa.gov	Training Evaluations, Organizational Change
Baronoff	Lynne	NWS/CFO02	301-713-9050 x153	Lynne.Baronoff@noaa.gov	Implementation of NWS's Cost Management System.
Bassett	Rob	NESDIS/OSDPD	301-427-2089x121	Robert.Bassett@noaa.gov	LCDP NSL Working Group
Bell	Robert	NWS	802-862-8711	Robert.Bell@noaa.gov	Leads NWS Forecast Office
Bengtson	John	NMFS/AKC	206-526-4016	john.bengtson@noaa	Director of Alaska Fisheries Science Center National Marine Mammal Laboratory
Berstis	Knute	NOS/NGS	301-713-2853 x146	Knute.Berstis@noaa.gov	Geoscience Research
Binkley	Cynthia	NMFS	727-570-5731	cynthia.binkley@noaa.gov	Fisheries Program Officer for SER's non-discretionary, non-competitive grant programs.
Boettcher	Brian	WMO	301-713-0511 x106	Brian.G.Boettcher@noaa.gov	HR Management Team

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
Boon	Iris	NWS/OST23	301-713-1774 x183	Iris.Boon@noaa.gov	Provides Customer support to the Weather Forecast Offices. Liaison to developers and forecasters; conducts on-site visits.
Brady	Peg	NMFS	301-713-0174 x109	peg.brady@noaa.gov	Habitat Matrix Program Coordinator: Coordination and facilitation of NOAA's Habitat Matrix Program's baseline development, program planning, budget development, performance measures, reporting and communications.
Brandon	David	NWS	801-524-5130 x131	David.Brandon@noaa.gov	Hydrologist in charge of the CBRFC
Brosnan	Tom	NOS/ORR	301-713-3038 x186	Tom.Brosnan@noaa.gov	Atlantic Branch Chief. Supervises natural resource damage assessments for waste sites and oil spills.
Brown	Mike	NOS/OCS	301-713-2645 x142	Mike.Brown@noaa.gov	Branch Chief, Development Lab. Supervises a branch involved in geo-spatial activities.
Brown	Rod	WMO	301-713-4477 x145	Roderick.X.Brown@noaa.gov	HR Labor Relations
Bryant	Charles	NESDIS/OSD	301-457-5133x131	Charles.S.Bryant@noaa.gov	IT Specialist in the NESDIS/OSD/Ground Systems Division. Project Manager and COTR for satellite ground systems IT projects. Develop system requirements, prepare statement of work and procurement packages, to facilitate contract acquisition and award. Monitor contractors performance and provide technical direction to ensure timely delivery of new satellite ground systems, sub-systems, and upgrades.
Bulmer	Gary	NMAO	757-441-6778	gary.bulmer@noaa.gov	Deputy Director, MOCA - I am in charge of NOAA's Atlantic fleet.
Bunge	Robert	NWS/CIO	301-713-1774 x183	Robert.Bunge@noaa.gov	Coordinate NWS' Internet Presence
Burdette	Michael	NWS/OPS52	228-688-2868	Mike.Burdette@noaa.gov	Oceanographer/Manager NWS buoy programs
Burnett	William	NWS/OPS5	228-688-4766	Bill.Burnett@noaa.gov	Serve as the Technology Development Branch Chief.
Calkins	James	NWS/OST24	301-713-0056 x148	James.Calkins@noaa.gov	Manages day-to-day activities associated with the NWS interactive Forecast Preparation System (FPS)
Cammen	Leon	OAR/SG	301-713-2434x136	leon.cammen@noaa.gov	Assoc. Director, Research
Cato	Mack	CAO	301-713-1148	Mack.A.Cato@noaa.gov	Director, AICIM: provides oversight and advice to NOAA on Audits, Management Control Reviews, A-76 FAIR Act, Freedom of Information Act, and Privacy Act requirements.

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
Chen	Wilbur	NWS/NCEP	301-763-8000 x7520	Wilbur.Chen@noaa.gov	Climate variability and predictability research medium to long range forecast
Christensen	John	NOS/NCCOS	301-713-3028 x153	John.Christensen@noaa.gov	Marine Biologist responsible for overseeing NOAA's coral reef monitoring program and is also project leader for the Channel Islands Marine Sanctuary Biogeographic assessment.
Churma	Michael	NWS/OST23	301-713-1774 x182	Michael.Churma@noaa.gov	AWIPS applications developer (FFMP, SCAN, SAFESEAS).
Cochran	Samuel	NWS/OPS24	301-713-0326 x112	Samuel.Cochran@noaa.gov	Test Director for upper air Systems Acceptance
Collier	Tracy	NMFS/NWC	206-860-3312	Tracy.K.Collier@noaa.gov	Acting Director of the Environmental Conservation Division, investigating habitat/fishery relationships and human alterations of habitat, with personal expertise in environmental toxicology.
Colligan	Mary	NMFS/NER	978-281-9116	Mary.A.Colligan@noaa.gov	
Crockett	Michelle	NOS/AA	301-713-3074 x130	Michelle.A.Crockett@noaa.gov	EEO Program Manager-Provide guidance and counsel to managers and employees on matters of civil rights and equal employment opportunities.
Cunningham	Bill	NMAO	301-713-3435 x183	bill.cunningham@noaa.gov	I work for NMAO's Program Services and Outsourcing Division. I am currently involved in work related to charter vessel safety. I am also NMAO's Environmental Compliance and Safety Officer and serve as NMAO's representative on the NOAA Safety Committee, the NOAA Facilities Committee, and the NOAA Homeland Security Activities Program.
Davis	Gerry	NMFS/PIR	808-873-2935 x283	gerry.davis@noaa.gov	ARA for the Habitat Division
Devaris	Aimee	NWS/AR 1x 2	907-271-3507	Aimee.Devaris@noaa.gov	Regional Manager of Public and Marine Weather Services.
Dion	Michael	NWS/OCWWS	301-713-0280 x111	Michael.Dion@noaa.gov	NWS OCWWS Training Division
Dionne	Joanna	NWS/OCWWS SD	301-713-1630 x156	Joanna.Dionne@noaa.gov	Provide a portal to hydrologic information on many scales, from national to local, to a wide variety of customers, including Emergency Managers on all levels, Federal Agencies (FEMA,USGS,USACE), state, local and personal users.
Doley	Chris	NMFS/HC	301-713-0174	chris.doley@noaa.gov	Division Chief, NOAA Restoration Center
Domstead	Jon	OAR/NSSL	405-366-0424	jon.dormstead@noaa.gov	Administrative Officer
Dortch	Quay	NOS/NCCOS/CSCOR	301-713-3338 x157	Quay.Dortch@noaa.gov	ECOHAB Program Coordinator and Program Manager

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
Doyle	Ted	NOS/NGS	301-713-2685 x151	Ted.Doyle@noaa.gov	Remote Sensing/GPS
Dubberke	Donna	NWS	563-391-7094	Donna.Dubberke@noaa.gov	External liaison with NOAA customers and partners
Dumont	Robert	OFCM	301-427-2002 x16	robert.dumont@noaa.gov	Coordinate on a Federal interagency basis meteorological operations and research programs. My current primary focus areas include homeland security, atmospheric transport and diffusion modeling, and the hurricane and winter storms forecast and warning programs. NOAA, of course, is a key player in the OFCM's Federal coordinating infrastructure.
Dunn	Larry	NWS	801-524-4377 x222	Larry.Dunn@noaa.gov	MIC WFO SLC Meteorologist
Dutton	Ellsworth	OAR/CMDL	303-497-6660	Ellsworth.G.Dutton@noaa.gov	Supervisory Meteorologist
Econopouly	Thomas	NWS/OS2	301-713-1677 x171	Thomas.Econopouly@noaa.gov	Hydrologist - Digital Services
Evans	Tom	NWS	520-670-5156 x223	Tom.Evans@noaa.gov	Warning Coordination Meteorologist: Principle interface between the WFO and the users, responsible for planning, coordinating and carrying out the WFO area wide public awareness program, and leads and coordinates WFO staff efforts providing direction, guidance, instructions and assistance to the staff in the conduct of weather services operations.
Fleischer	Guy	NMFS/NWC	206-860-3289	guy.fleischer@noaa.gov	I am the FRAM Division Monitoring Program Manager that oversees the Observer, Survey, Acoustics, and Habitat/Conservation
Gautam	Amy	NMFS/F	301-713-2239 x182	amy.buss.gautam@noaa.gov	Economist with the NMFS Office of Policy
Gird	Ron	NWS/OCWWS	301-713-0090 x154	Ron.Gird@noaa.gov	Outreach Programs Manager
Gouveia	David	NMFS/NER	978-281-9280	david.gouveia@noaa.gov	Oversee the Marine Mammal Program for the Northeast Regional Office's Protected Species Division.
Grano	Vince	NESDIS/IPO	301-713-4787	Vince.Grano@noaa.gov	LCDP NSL Working Group
Grant	Peter	NWS/OPS42	405-573-3412	Peter.J.Grant@noaa.gov	Team leader for the NEXRAD Technical Manual Documentation Team
Gregg	Margarita	PPI	301-713-3632	margarita.gregg@noaa.gov	Oceanographer/Climatologist
Griffin	Jerry	NWS/OS611	816-880-9368 x234	Jerry.Griffin@noaa.gov	Master Instructor at NWSTC

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
Groeneveld	Carl	NOS/OCS	301-713-2700 x122	Carl.R.Groeneveld@noaa.gov	Deputy Chief, Hydro Survey Division. Provides a combination of leadership, program management, policy and technical direction to the Division
Grosshans	Gregory	NWS/NP72	405-579-0720	Gregory.Grosshans@noaa.gov	Software Analyst
Habermann	Ray "Ted" Dr.	NESDIS/NGDC	303-497-6472	Ted.Habermann@noaa.gov	Designs & implements geospatial data and metadata management systems for NGDC & other parts of NOAA. He is presently working on NVDS, CLASS, NPOESS, NOSA, NOAA Enterprise, GIS, DLESE and a number of partnerships with other groups inside and outside of NOAA. He is also interested in organizational dynamics and technology partnerships.
Hakkarinen	Ida	NESDIS/CIO	301-713-0816 x230	Ida.Hakkarinen@noaa.gov	Ida is a supervisory physical scientist who serves as executive officer to the acting NESDIS Chief Information Officer (CIO). She coordinates all aspects of day-to-day operations of the NESDIS Office of the CIO (OCIO). She provides direction to federal staff and contractors supporting the OCIO, and serves as a senior advisor to the acting CIO. In support of information technology (IT) activities, Ida is the OCIO representative on the NESDIS IT Architecture Team, which consists of senior IT specialists from each NESDIS Office and Data Center. The team meets regularly to develop strategic directions and foci for IT efforts across the NESDIS enterprise.
Harris	Susan Ware	IA	202-482-6196	Susan.Ware-Harris@noaa.gov	International Affairs Specialist and Executive Director of the International Affairs Council. Responsible for staffing NOAA Leaderships' international engagement, coordinating NOAA's international activities, and the NOAA international cross-cut.
Hearn	William	NMFS/SWR	707-575-6062	william.hearn@noaa.gov	Leader of the River Habitat Conservation Team. Manage program engaged in commenting on state water right permitting actions that affect endangered and threatened salmon. Our team provides instream flow assessment, hydrologic and GIS technical support to NOAA Fisheries personnel in Endangered Species Act consultation.
Hoch	Peggy	NWS/OPS23	301-713-0985 x167	Peggy.Hoch@noaa.gov	Systems Analyst/COTR for Software Controls

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
Hodor	Mark	GC	301-713-2231x110	mark.hodor@noaa.gov	As an attorney-advisor in NOAA's General Counsel for Fisheries, I provide legal advice to the National Marine Fisheries Service on matters relating to the Magnuson-Stevens Fishery Conservation and Management Act and other applicable laws.
Hopkins	Timothy	NWS/OST31	301-713-1570 x129	Timothy.Hopkins@noaa.gov	Hardware Systems Architect
Horan	Russell	NWS/OPS161	816-823-1057 x227	Russell.Horan@noaa.gov	Responsible for quality assurance of new and repaired equipment for NWS
Horvitz	Andy	NWS/OS7	301-713-1858 x166	Andy.Horvitz@noaa.gov	Meteorologist Digital Services
Istok	Michael	NWS/OST32	301-713-0763 x103	Michael.Istok@noaa.gov	Systems engineering and management of product improvement projects for NWS operational use of weather radar.
Johnson	Fred	NWS/NP61	816-584-7204 x204	Fred.Johnson@noaa.gov	Chief, Domestic Operations Branch
Kearse	Brad	NMAO	301-713-3230 x 142	william.kearse@noaa.gov	Aircraft Operations Center, Airborne Technology Integration Program Mgr. Develop contacts with potential users of AOC light aircraft and facilitate the communication between NMAO and AOC in order to maximize the effectiveness of the aviation platforms.
Kidwell	Robert	CIO	301-713-3525 x196	robert.h.kidwell@noaa.gov	Chief IT Planning and Architecture
Kondragunta	Chandra	NWS/OHD12	301-713-0640 x149	Chandra.Kondragunta@noaa.gov	Improving precipitation estimation techniques
Kuhl	Steve	NWS/OS51	301-713-0090 x175	Stephan.Kuhl@noaa.gov	National Warning Coordination Met. Program
Lagomarsino	Irma	NMFS/SWR	707-825-5160	Irma.Lagomarsino@noaa.gov	Arcata Area Office Supervisor for the Southwest Region, NMFS.
Lenihan	Suzanne	NWS/OST12	301-713-3557 x155	Suzanne.Lenihan@noaa.gov	Data processing and display requirements management coordinator
Lindsey	Scott	NWS	907-266-5157	Scott.Lindsey@noaa.gov	Hydrologist at the Alaska Pacific River Forecast Center
Liogys	Rimas	AGO	301-713-0325x103	Rimas.T.Liogys@noaa.gov	Manage and advise on the NOAA grants process; assist Director of AGO, in operations of AGO.
Locklear	Eric	OAR/OGP	301-427-2089x110	eric.locklear@noaa.gov	Program Analyst

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
Lyles	Stephen	NOS/COOPS	301-713-2877	Stephen.Lyles@noaa.gov	Oceanographer-Team Leader in Products & Services Division, responsible for managing customer support for web based products, responding to user requests and technical inquiries for oceanographic products and services, and producing tide and tidal current.
Majower	Nancy	NMFS/CIO	301-713-2372	Nancy.Majower@noaa.gov	Responsible for all administrative functions, including budget, for the SER and 9 field offices.
Mann	Keith	NESDIS/OSO	301-817-4222	Keith.A.Mann@noaa.gov	Serves as OSO Information Technology Specialist. He is responsible for the following: 1) OSO's IT development, acquisition, and compliance with agency and nat'l standards, 2) OSO's IT security and reporting requirements, 3) OSO's IT planning , developing and coordinating the effective provisions of IT resources for its operations and control of NOAA's environmental satellites and 4) serves as an IT Architecture Team (ITAT) member.
Mannarano	David	NWS/OPS22	301-713-2093 x103	David.Mannarano@noaa.gov	Meteorologist surface observing systems, implementation and operations manager - prepare implementation plans, coordinate transition to operations, and resolve ongoing operational problems for NWS surface observing systems.
Marks	Howard	LA	202-482-2852	Howard.S.Marks@noaa.gov	Track and analyze legislation and provide legislative support to the NOAA Office of Homeland Security.
Martin	John P.	NWS	701-250-4224 x677	John.Paul.Martin@noaa.gov	Ambassador within NOAA NWS, and between NOAA-NWS and our customers and partners, with respect to all aspect of weather service operations and weather services
Mayle	Steve	OAR/GFDL	609-452-65-5	steve.mayle@noaa.gov	Administrative Officer
Maynard	Bonnie	NWS/CFO3	301-713-1698 x186	Bonnie.Maynard@noaa.gov	Review/develop/analyze NWS policies, work on facilities issues, SES recruitment, telework
McArthur	Shannon	NWS/OPS52	228-688-2830	Shannon.McArthur@noaa.gov	Project Management
McCallum	Jim	NMFS/F	301-713-1622 x181	jim.mccallum@noaa.gov	Office of Policy: currently on detail to NOAA PPI working with Matrix Management, Strategic Planning, Goal Teams, Ocean Council, International Council, others.
McClung	Tim	NWS/PCO	202-482-1162	Tim.Mcclung@noaa.gov	WCM at WFO LOX

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
McMath	Al	NESDIS/OSO	757-824-7316	albert.j.mcmath@noaa.gov	Serves as WCDA IT Team Leader in the Systems Planning and Development Staff. Provides oversight of a variety of technical projects and assignments involving the planning, budgeting, and implementation of IT initiatives. Serves as WCDA IT Security Officer (ITSO) and liaison to the Office of Satellite Operations and NESDIS ITSO. He is responsible for the internal realignment of the technical support which will improve Wallops overall performance through greater flexibility in resource utilization; better support OSO's and NOAA's mission; and better manage WCDA Station resources.
Mesick	Sharon	NESDIS/NCDDC	228-688-2256	Sharon.Mesick@noaa.gov	Performs long-range planning and budget development for the areas of science represented by the NCDDC Science Division program cluster. As the Science Division member of the NCDDC Systems Integration Team, she works closely with other Team members and technical leads to optimize, streamline and integrate operational elements into a comprehensive customer service architecture. Sharon also coordinates elements of geospatial data management of the NCDDC Science Division programs, ensuring integration between customer requirements and deliverables, government standards, and NOAA IT regulations.
Miller	David	PA	202-482-0013	David.P.Miller@noaa.gov	Senior public affairs officer - responsible for coordinating NOAA's media operations at headquarters, line/program offices and the NOAA video production studio. Also currently acting administrative officer for OPCIA.
Miller	Shirley	HRMO	301-713-0539 x133	shirley.a.miller@noaa.gov	Manage the Leadership Competencies Development Program (LCDP) to build future NOAA senior leaders.
Moore	Barbara	OAR/NURP	301-713-2427x127	barbara.moore@noaa.gov	Director, NURP
Motta	Brian	NWS/OS63	303-497-6561	Brian.Motta@noaa.gov	Trainer for digital services
Nance	James	NMFS/SEC	409-766-3507	james.n.nance@noaa.gov	Oversee Southeast shrimp stock assessments, shrimp trawl observer programs, and shrimp bycatch issues.

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
Neander	Julia	NMFS/NWR	206-526-4743	Julia.Neander@noaa.gov	I serve on the NW Regional Administrator's staff and am responsible for the administration, implementation, and coordination of special projects in support of critical program needs.
O'Beirne	Bill	NOS/OCRM	301-563-1160	bill.o'beirne@noaa.gov	State Liaison team leader, responsibilities include supervising program specialists who administer the Coastal Zone Management Act and provide programmatic, governance and financial assistance to states from Maine to Texas and the Caribbean islands to implement their Coastal Zone Management Programs. Also manage/oversee several regional efforts/projects in Gulf of Maine and Gulf of Mexico.
Okumura	Jean	NWS	808-532-6418	Jean.Okumura@noaa.gov	Administrative Officer
Orlando	Paul	NOS/NMSP	301-713-3125 x 207	Paul.Orlando@noaa.gov	Twenty two years with NOS. Physical scientist, involved with NMSP system wide monitoring and ocean observing, site management plans, and marine operations and safety. NMSP lead for PPBES activities.
O'Sullivan	Jim	NWS/OST12	301-713-3557 x182	Jim.osullivan@noaa.gov	Space weather focal point for NWS Headquarters and the program coordinator for the NOAA Surface Weather Program.
Palmer	Joan	NMFS/NEC	508 -495-2247	joan.palmer@noaa.gov	
Parr	Eric	NWS/OPS14	301-713-1830 x111	Eric.Parr@noaa.gov	Supply/parts/repair to keep NWS operational equipment functioning
Payton	Debbie	NOS/ORR	206-526-6230	Debbie.Payton@noaa.gov	Supervises modeling activities by design, implementation and guiding the HAZMAT modeling team
Price	Holly	NOS/NMSP	831-647-4247	Holly.Price@noaa.gov	Oversee Resource Protection Program at Monterey Bay National Marine Sanctuary and currently Acting Sanctuary Superintendent
Pytlak	Erik	NWS	520-670-5156	Erik.Pytlak@noaa.gov	Science and operations officer in charge of office training and new science infusions into forecast operations

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
Reed	Larry	CIO	301-713-3535 x219	Lawrence.Reed@noaa.gov	I am a senior engineer on the NOAA Computer Incident Response Team (N-CIRT). Our mission is to respond to computer security incidents with a focus of helping NOAA achieve it's mission. We work to ensure NOAA's success is not hindered by security incidents by providing IT security consulting services to all levels within NOAA's IT infrastructure from the CIO down to the system administrator.
Reed	Seann	NWS/OHD	301-713-0640 x161	Seann.Reed@noaa.gov	Research Hydrologist. Develop and evaluate new methods for hydrologic modeling using high resolution meteorological forcings.
Renkevens	Thomas	NESDIS/SSD	301-763-8081x109	Thomas.Renkevens@noaa.gov	Performs oversight of day to day 24x7 operational activities for real time satellite data processing and distribution - mainly GOES product processing for NWS and customers. Assists in the planning, interaction and partnering with other NOAA data facilities and customers like NCEP, NWS-Telecommunications Gateway, NOC, NCF, SOCC on satellite data, products and services issues. As COTR provide oversight, technical guidance, prioritization and financial tracking for over 40 contractors.
Roles	Jim	NMAO	813-828-3310 x3037	jim.h.roles@noaa.gov	Supervise the AOC Engineering and Meteorologist Branch. Member of the Management Team negotiating the collective bargaining agreement.
Ross	Mitchell	AGO	301-713-0823 x141	mitchell.j.ross@noaa.gov	Contracting Officer
Rydell	Nezette	NWS	808-973-5275	Nezette.Rydell@noaa.gov	Warning coordination meteorologist
Schaeffer	James	NESDIS/IPO	301-713-4761	james.schaeffer@noaa.gov	Chief of Systems Engineering for the NPOESS project. Responsible for developing and verifying system requirements for the NPOESS system. From a big-picture view, responsible for meeting mission objectives through effective translation of mission requirements in to technical specifications.
Schattel	John	NWS/OST24	301-713-0056 x111	John.Schattel@noaa.gov	Software developer at the Meteorological Development Laboratory
Schmidt	Nicholas	NOS/CSC	843-740-1237	Nicholas.Schmidt@noaa.gov	Chief, Coastal Information Services Branch which focuses on developing and providing access to broad-based information and technology tools for coastal resource managers.

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
Schneider	John	OAR/FSL	303-497-4646	john.p.schneider@noaa.gov	Deputy Director, FSL
Schoedinger	Sarah	OESD	202-482-2893	sarah.schoedinger@noaa.gov	Development and coordination of courses for NOAA education and outreach personnel; liaison with external education programs and organizations.
Schoenberger	Cliff	CIO	301-713-3333	cliff.schoenberger@noaa.gov	I manage the NOAA Telecommunications Division, supervising a team tasked with: the management and administration of telecommunications infrastructure for all facilities in the D.C. Metropolitan area; the development and maintenance of a nationwide database of telecommunications circuits; and coordination with NOAA Finance to ensure the accurate allocation of telecommunications charges to responsible offices.
Schornick	Glenda	NWS/	228-688-1704	Glenda.Schornick@noaa.gov	Assistant Chief Resources Branch
Sellinger	Cynthia	OAR/GLERL	734-741-2385	cynthia.sellinger@noaa.gov	Deputy Director, GLERL
Smith	Steven	CFO	202-482-1971	stephen.l.smith@noaa.gov	Overall responsibility for fiscal accountability and reporting of appropriated resources, allocation, tracking and report spending for NOAA's \$4 Billion dollar budgetary resources.
Smoker	Andy	NMFS/AKR	907-586-7210	andy.smoker@noaa.gov	Chief of Inseason Management for Alaska Region NMFS, responsible for managing fishery quotas.
Steele	Philip	NMFS/SER	727-570-5784	phil.steele@noaa.gov	Team lead for the Gulf of Mexico Fishery Operations Team
Stiles	Todd	PPI	301-713-1622 x201	todd.c.stiles@noaa.gov	NOAA Corps Officer, recently reported to PPI, involved in office execution duties under direction of DAA Gary Petrae.
Swanson	Penny	NMFS/NWC	206-860-3282	penny.swanson@noaa.gov	Conduct research on effects of environmental factors on salmon health and reproduction
Szatkowski	Gary	NWS	609-261-6602 x222	Gary.Szatkowski@noaa.gov	Supervise an NWS field office to meet NOAA's goals and mission
Teng	Chung-Chu	NWS/OPS51	228-688-7101	Chung-Chu.Teng@noaa.gov	Engineering team lead
Thunberg	Eric	NMFS/NEC	508-495-2272	eric.thunberg@noaa.gov	Assessment of economic impacts of alternative regulatory decisions for commercial and recreational fisheries in the Northeast Region.
Tibi	Bob	NWS	801-524-5137 x230	Robert.Tibi@noaa.gov	Chief, Hydrology Climate Services Division WRH

Last Name	First Name	Line/Staff Office	Office Phone #	eMail Address	Brief Explanation of Your Work at NOAA
Timmons	Ted	NWS	907-271-1557	Ted.Timmons@noaa.gov	Regional Facilities Program Manager for the Region's Facilities Maintenance and Safety Programs.
Tromble	Galen	NMFS/SF	301-713-2341	galen.tromble@noaa.gov	Chief, Domestic Fisheries
Vinish	Brad	NMFS/EN	206-526-4301	brad.vinish@noaa.gov	I supervise a team of criminal investigators in the NWR for NOAA Fisheries Office for Law Enforcement.
Vogel	John	NWS/OCWWS	301-713-1373 x130	John.Vogel@noaa.gov	Director, NWS Training Center, also developing criteria for NWS Line Office Staff College
